Why should you have to stop doing.In the rage of his agony the Enemy raised up a great wave and sent it speeding to overwhelm the island of Solea. Elfarran knew this, as she knew the moment of Morred's death. She bade her people take to their boats; then, the poem says, "She took her small harp in her hands," and in the hour of waiting for the destroying wave that only Morred might have stilled, she made the song called The Lament for the White Enchanter. The island was drowned beneath the sea, and Elfarran with it. But her boat-cradle of willow wood, floating free, bore their child Serriadh to safety, wearing Morred's pledge, the ring that bore the Rune of Peace..Archipelago came to be. She returned after some time lugging a heavy bucket, and set to sponging off the mare's leg. "Get the saddle off her," she said, and her tone held the unspoken, impatient, "you fool!" Ivory obeyed, half-annoyed by this crude giantess and half-intrigued. She did not put him in mind of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare submitted to her absolutely. When she said, "Move your foot!" the mare moved her foot. The woman wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water four or five times a day, it'll heal clean, I'm sorry." She said the last honestly, though grudgingly, as if she still wondered how he could have let his mare stand there to be assaulted, and

"The womb?".Then they were all gone, and he stood alone on the hill, shaken and wondering. "I have seen the queens and kings of Earthsea," he thought, "and they are only the grass that grows on this hill."..It struck with one huge thunderclap out of sudden utter blackness and wild rain. The ship pitched like a horse rearing and then rolled so hard and far that the mast broke loose from its footing, though the stays held. The sail struck the water, filled, and pulled the galley right over, the great sweeps sliding in their oarlocks, the chained slaves struggling and shouting on their benches, barrels of oil breaking loose and thundering over one another-pulled her over and held her over, the deck vertical to the sea, till a huge storm wave struck and swamped her and she sank. All the shouting and screaming of men's voices was suddenly silent. There was no noise but the roar of the rain on the sea, lessening as the freak wind passed on eastward. Through it one white seabird beat its wings up from the black water and flew, frail and desperate, to the north..he said, stuck Tern's nose into a book till he could read it. "Illiterate wizards are the curse of..address:..cutouts of birds. What the hell is it with these birds? I wondered, perplexed. Does it mean..yes! This is the way." Yet he was following Otter. His touch and his spells pushed him, rushed..In the Archipelago, men built ships and women built houses, that was the custom; but in building a great structure women let men work with them, not having the miners' superstitions that kept men out of the mines, or the shipwrights' that forbade women to watch a keel laid. So both men and women of great power raised the Great House on Roke. Its cornerstone was set on a hilltop above Thwil Town, near the Grove and looking to the Knoll. Its walls were built not only of stone and wood, but founded deep on magic and made strong with spells..leaving things out, here, things worth knowing....".It took him six more days to get through the big herds in the eastern marshes. The last two days he spent riding out to scattered groups of cattle that had wandered up towards the feet of the mountain. Many of them were not infected yet, and he could protect them. The hinny carried him bareback and made the going easy. But there was nothing left for him to eat. When he rode back to the village he was light-headed and weak-kneed. He took a long time getting home from Alder's stable, where he left the hinny. Emer greeted him and scolded him and tried to make him eat, but he explained that he could not eat yet. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turre. Do you know that name? It's a word in the language of the Alking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with excitement..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (51 of 111) [2/5/2004 12:33:31 AM].She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her, then slept suddenly and deeply. She woke as suddenly when the east was just getting light. She went to the door to see what she loved best to see, the sky before sunrise. Looking down from it she saw Azver the Patternner rolled up in his grey cloak, sound asleep on the ground before her doorstep. She withdrew noiselessly into the house. In a little while she saw him going back to his woods, walking a bit stiffly and scratching his head as he went, as people do when half awake.
