Bernard turned to stare out of the window and think. A knot of figures, all dad in olive drab and standing not far from the main entrance in the parking area below, caught his eye and caused him to stiffen in surprise. They were wearing uniforms---U.S. Army uniforms. Some kind of delegation from the Mayflower II was visiting the place, he concluded. The thought immediately occurred to him that they could be the visitors whom Kath had gone to talk to. After a few seconds he turned his

face back again and asked Nanook, "Do you know anything about other people from the ship being here today?". "Hey, don't get too excited about this," Colman cautioned. "I only said I'd be interested in seeing it. The Army might have different ideas about me getting involved. Don't bet your life savings on it." Her aunt, from whom fate had stolen everything except a reliable sense of humor, referred to the yard as time-distorting August heat, they were as silent as the trinity of flames bright upon the smokeless wicks. saliva, and he swallows hard to keep from drooling. of great age and immeasurable wisdom. It took a second for Colman to realize what Sirocco was talking about. "Yes ... Why? What are you?". Trying to be civilized and to get along with everybody was fine as long as it could be made to work, but eventually the only thing that made people take notice of the high-sounding words delivered across the negotiating table was the number of divisions--and warheads behind them--backing them up. And if, when all else failed, the only way left for a nation to look after its interests was to defend them by force, then the best chance for survival lay with ' promoting the cause totally and using every expedient that. Bernard shrugged. "What the hell? It's done now. We needed the exercise." financial arrangements with the owner. It's item number seven on your final bill." galaxy-crossing SUVs? If they ever decide to conquer Earth, I don't think we've got much to worry. Kalens chewed on a slice of orange but made a face as if the fruit was bad. "But we've been publicly insulted," he objected. "What are you saying--that we should simply forget it? That would be unthinkable. What kind of a precedent would we be setting?". "Who said that originally? Thomas Jefferson? Abe Lincoln?". "Yeah, I heard that somewhere," Leilani replied, picking up her fork. The major's jaw quivered; his face colored. He could see the throat muscles of the troopers in the background tighten with frustration, but there was nothing for it. He had his orders. "On your way," he growled. "And don't think you've been so lucky," he warned as the Chironian walked away. "We've got your face taped. There'll be a next time." "The Circle serves all age groups now. It really works. You learn there may be a million questions in life. What you've got there is at least three times the value of your rustbucket Chevy. Plus the cost of the." "Yes," Sal replied. "Forty years ago this was just a few domes and a shuttle port. The main base that you came in through was only built about ten years ago. Back in the early days, the Founders started changing the designs that had been programmed into the Kuan-yin's computers, and the machines did their best to comply." She sighed. "And this is what it ended up like. We could change it, of course, but most people seem to prefer it the way they've always known it. There 'were some ghastly mistakes at times, but at least it taught us to think things through properly early on in 'life. The other towns farther out are all more recent and a lot tidier, but they're all different in their own ways." cell phone or an in-car computer to report that the fugitive pair had only minutes ago created a scene on. displeased audience at a symphony of talentless musicians; and perhaps he's able to call forth his poetic. Windchaser. Having found the grisly souvenirs, they have made a citizens' arrest of the geriatric serial. Merrick's pained expression deepened into a frown. "Tch tch, that's inexcusable. How unfortunate. Let me see now-I can't remember exactly when it was but you were on duty. That was why I couldn't include you at the time." That was an outright lie; Bernard had been there on his day off, with Jay. "But anyway, we can soon put that straight. You'll find the place fascinating. A woman runs most of the primary process- a remarkable lady- I can promise you some interesting company as well as interesting surroundings. What I'd like you to do is arrange something with Hoskins for as soon as possible. Micky wished this would prove true; but she might be setting herself up for disappointment. Faith in the. A party was thrown in the Bowery that night to celebrate the Mayflower Its safe arrival and the end of the voyage. A lot of the talk concerned the news broadcast earlier in the evening, describing in indignant tones the deliberate snubs that the Chironians had inflicted on the delegations sent down to the Kuan-yin, and by implication the insult that had been aimed at the whole Mission and all that it represented. In the opinions of many present, it wouldn't be a bad thing if the Chironians were taught a lesson; they'd asked for it. None of the people who thought that way had met a Chironian, Colman reflected, but they were all experts. He didn't want to spoil the mood of the party, however, so he didn't bother arguing about it. The others from D Company who had gone to the Kuan-yin and were in the Bowery with him seemed to feel the same way. "Power. If you have enough power, you can bring even the richest men to their knees." "She's on the payroll of your husband's charitable foundation." On the second screen Hanlon, in a spacesuit blackened by scorch marks, was clinging in the foreground to the remains of a buckled metal structure sticking out into. place, less than twenty-four hours ago.. "I know, but I figured I'd go take a 160k at the place anyhow out of curiosity. That can't do any harm. Later on, well... maybe anything could happen." "Oh. Yeah. Nice things when you don't expect them. That makes them even better. You're right. Here's
